Tres Report 9

Team SWISCC at Neil Alan Fine Jewelry Motorfest on Father's Day. Jack & Ellen Kiefer, Dick & Marie Rockrohr, and Keith & Valerie Hatcher all entered cars. Keith's 2012 BMW M3 won second in the "2000 and up" division.

From the President...

Well I hope everyone enjoyed the month off! Not!

The Idaho Rally was a blast! Another great event for our state and a fun race to ride in and watch. We had all four seasons! I had the opportunity to stand out in the rain for two of the stages, one stage was cancelled due to excess rain, snow and ice on the road. Then there was the calm wind that wanted to blow everyone away. You can't forget the hot sun and a bit of dust. Overall, a great time. Thank you to everyone who made it out to help make the race possible. The competitors were very appreciative of everyone's efforts.

Then there was the Motorfest, thank you to those who brought out their cars and manned the booth. Keith and Dick did a great job of setting up and being there and representing the club. We had a few inquiries so hopefully, they will come out and see all the fun we have and want to participate!

As we look to the months ahead we have a lot more that will be going on and some decisions to make. The July Rallye is just around the corner so if you have any first timers please get with them and do some training before the event! We want them to enjoy getting lost and wanting to stay on time. We also need to decide at the July business meeting if we are going to Sun Valley for our traditional end of year Rallye and banquet? We need to have 13 couple registered at our business meeting and need the \$180 in hand. If we have that commitment we will book the banquet room and the hotel will honor the reduced rates for us. If not..... well there is not currently a plan B. There has been enough interest expressed in going, so please bring your check books and cash! Let's keep the traditions alive! Plus, I enjoy that time of year in Sun Valley with a few friends! Finally, Baker! Does everyone have their rooms booked? Dick says the Rallye is ready and we should have a great drive. At this point we do not have a group dinner planned as we have not found a room big enough for us without paying. That is something we will bring up at the business meeting to discuss. The Boards brief conversation has discussed that there are several good places in town and once we turn our scores in we can explore them and then meet back at the hotel to enjoy the bar and nightlife it has to offer. If you haven't spent the night sampling their wine, enjoy! Look forward to seeing everyone at the business meeting and bring your ideas to make the club better! It takes everyone's input to grow and have fun!

From the Activities Director...

Activity Staff:

The next general meeting is this **Friday, July 7** at Banbury. Social hour at 6:30. Meeting starts at 7:30 p.m.

Dick reviewed the plans for Sun Valley at the last meeting. To prevent previous contract issues, this year he will collect and hold the checks for those of us who are attending. So, if you think you are going to Sun Valley, bring a check for \$180 for a couple to cover our fees and the Saturday night dinner. Dick will hold the checks until we determine if we have enough participation to have the event. If we go and get enough people, the price will go down and Dick will refund the difference. *If you are not going to be at the meeting and want to go to Sun Valley, mail a check to Dick at 9150 S. Talon Ln, Boise 83709.*

A reminder that the July Rally will start and end in Baker City Oregon. We have 20 rooms at \$99/night reserved for **July 21 & 22** at the Best Western Sunridge Inn in Baker. If you are staying over you need to book by July 13 as the Sunridge will release the rooms on the 14th.

Board Meeting date to TBD but will be during the week of **July 23rd**.

General meeting **August 4** at Banbury. Social hour at 6:30. Meeting starts at 7:30 p.m.

August Rally will be on **August 13.**

Happy motoring & keep the shiny side up.

Jack
